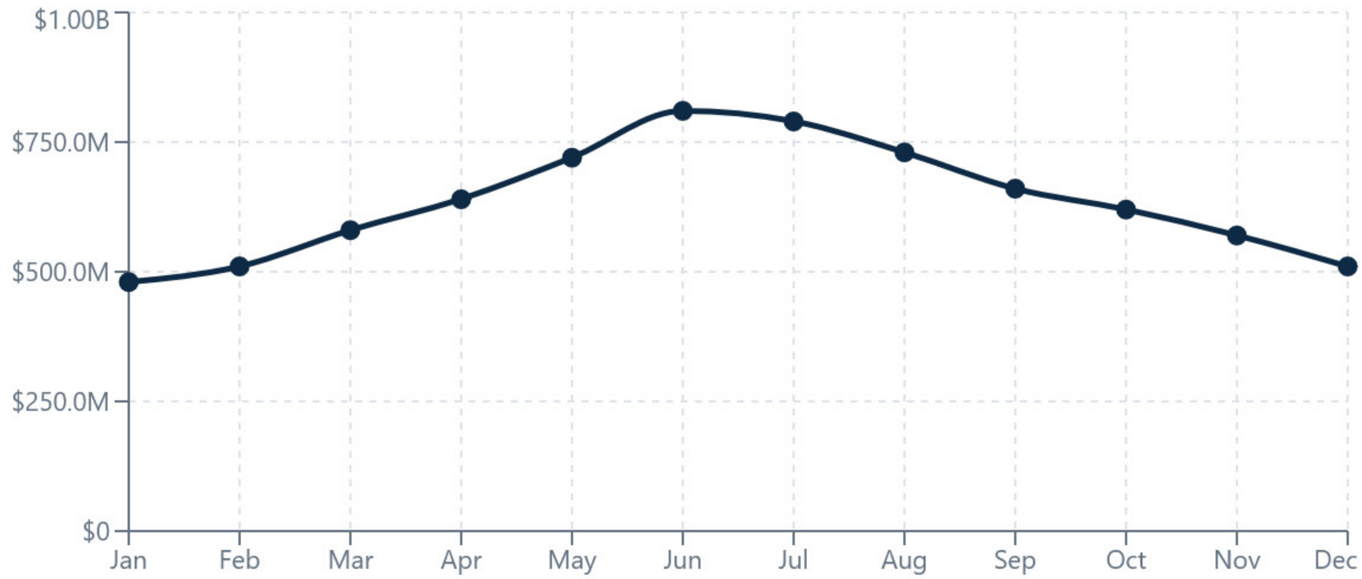
# TRENDS OVER TIME

Seasonality and year-over-year growth.

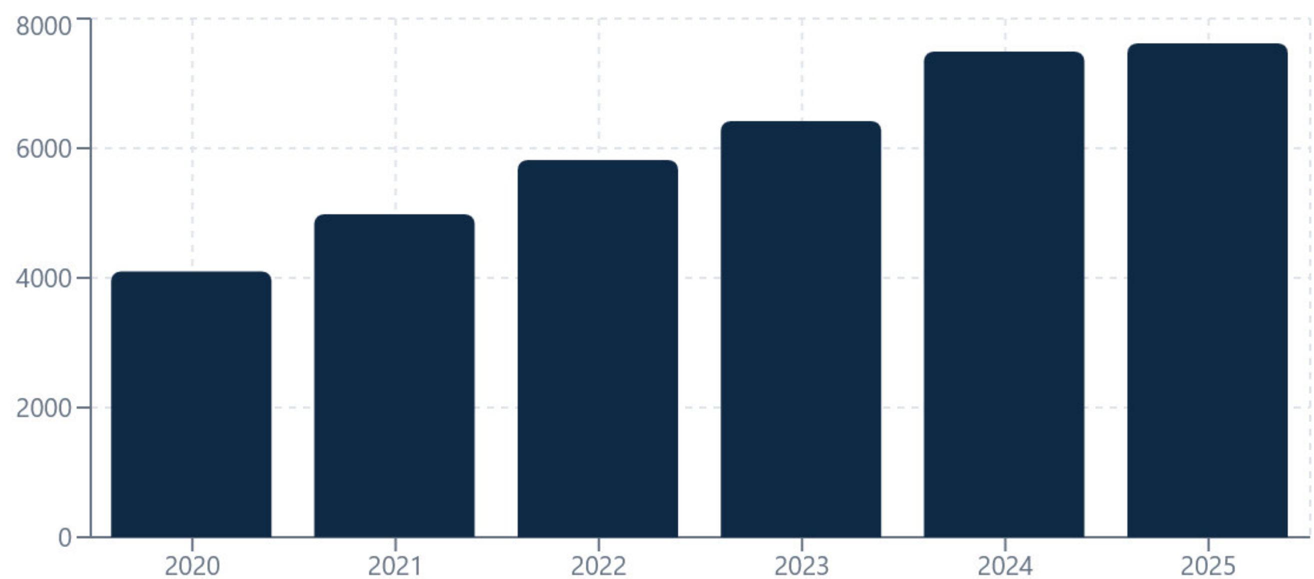
## Monthly Revenue

Strong summer peak (May–Jul).



## Year-over-Year Revenue

Compounding growth since 2020.



# RECOMMENDED ACTIONS

Three moves for the CEO this quarter.

## 01

### Protect & grow premium mix

Shift 5% of inventory budget from Low-Margin tiers to BMW / Mercedes / Toyota. Estimated +$90M gross profit.

## 02

### Expand in GA & AZ

Both states are top-10 in revenue with no flagship dealership. Pilot two new locations in FY26.

## 03

### Concentrate spend in Q2–Q3

Realign marketing and staffing to peak season; reduce off-peak overhead by ~12%.
